This draft outline is not reflective of the final structure or topics of the proposed policy. Instead, it will be used as a starting point to initiate discussion between Tribes and the CSU system regarding compliance with federal NAGPRA and CalNAGPRA. Descriptive content included in this outline is statute language from AB-389 and AB-275. This document will be used during the scheduled listening sessions to gather information from Tribes and CSU officials regarding a timely and respectful repatriation process. An update to this document with incorporated feedback will be made following the last scheduled listening session.
