

NAGPRA & CaINAGPRA Policy Development Listening Session

Cal Poly Humboldt
Thursday, May 30, 2024

The background of the slide features a photograph of a university building with a prominent tower on the left side. The building has a light-colored facade and a red-tiled roof. In the foreground, there are trees with yellow and orange autumn foliage on the left, and a large green tree on the right. A black metal fence runs across the middle ground. The sky is a pale, hazy blue.

Land Acknowledgement

The background of the slide features a photograph of a university campus. On the left, a prominent tower with a red-tiled roof stands against a clear blue sky. Below it, a long, low building with a similar red-tiled roof and a row of small, square windows is visible. To the right, a black metal fence runs across the foreground, with more campus buildings and green trees in the background. The overall scene is bright and clear.
